

Music Streaming

Sue Lakin

Chrissy March

August 2026

How do you currently listen to
music?

(Or the radio?)

Today we will;

- Cover some basics
- Answer questions
- Have a hands on session with your devices if required

Streaming Music/Radio:
Playing music or radio
digitally using a device
(phone/tablet/PC)

Not using a radio, CD, vinyl or
cassette!

Streaming Service

Spotify
BBC Sounds
Amazon Music
AppleMusic
You Tube Music
Radio apps

Streaming Services

Streaming Service

Spotify

BBC Sounds

Amazon Music

AppleMusic

You Tube Music

Radio apps

- May require an account and subscription
- But can be free (usually with adverts or reduced functions)

Devices

Device

Smart phone

Tablet

PC

Smart Assistant eg
Alexa or Google Asst

(May contain the
music Eg MP3 files
downloaded from a
CD)

(May contain a
speaker)

- Download the app to the device/tablet if required (and set up an account/subscription)
- Some apps are already in the device eg Amazon Music and Alexa
- If you have Amazon Prime you will be able to play Amazon Music on an Alexa
- Import music from CDs to a PC (usually as an MP3)
